### Features & benefits

- **Cost-effective** - eliminate envelope purchases
- **Labor-reducing** - no hand-folding, envelope stuffing, gluing or heating is required
- **Environmentally-friendly** - these are created from one single sheet
- **Secure seal** - each form contains special bands of printer-safe pressure-sensitive adhesive, which align and bond together when the forms are run through a pressure seal machine
- **Tamper-evident** - guarantee the end recipient is the only person opening the mailer and receiving the check
- **Compatible** with laser printers, inkjet printers, offset printers, flexo printers & HP Indigo
