

Access, benefits and features that employees just can't get from a paper check

rapid! PayCard® Visa® Payroll Card

The rapid! PayCard provides the most comprehensive paycard technology platform as the foundation and then builds real value for our clients with the successful adoption of the paycard into their organization through comprehensive, marketing, training and support.

The rapid! PayCard offered provides your company with the most comprehensive paycard benefit and ePayroll program designed for employers choosing to convert to electronic delivery of payroll at zero cost.

The rapid! PayCard, ePayStub and online W2 forms eliminate paper in the payroll office and benefit employers, employees and the environment.

- **rapid! PayCard** — convert all eligible employees over to standard direct deposit. Eliminate Payroll checks.
- **ePayStub** — Provide paystubs electronically to all employees and eliminate paystub distribution.
- **eW2** — Reduce your company's requirement to mail paper W2s by providing electronic access.

The ePayStub and online W2 forms provide multiple outlets for employees to view their electronic statements and tax documents.

Your company can expect to see immediate savings and realize efficiencies by eliminating distribution of regular paychecks and wage statements.

**Reduce costs,
improve efficiencies,
and positively impact
the environment**

Employer Benefits

While most paycard companies end their efforts with system access and cardstock, we are just beginning to provide the high touch service you require to achieve your goals.

Reduce expenses and provide a new employee benefit

After enrollment with rapid! PayCard® Visa® Payroll Card, you will be able to issue cards immediately to all new hires and enroll them into the ePayroll system.

Here's how you benefit:

- **Reduce Cost** — Expanding direct deposit participation will generate significant cost savings over the current methods of printing and delivering checks and wage statements.
- **Improve Efficiency** — The rapid! PayCard solution will expand electronic direct deposit participation and will eliminate the need to distribute regular pay check and wage statements to employees. By eliminating paper checks, your exposure to check fraud will be minimized, lost or stolen check problems will be eliminated, business continuity will be improved and off-cycle payment problems will be lessened.
- **Increase Corporate Environmental Responsibility** — Improving your direct deposit participation is a simple, safe and smart way to have a positive impact on the environment.

Features not available with paper checks

Product Features

*Real value for your
employees.*

*Real cost savings for
your company.*

The rapid! PayCard® Visa® Payroll Card is a powerful financial service for employees who do not have traditional banking relationships. These services provide greater convenience, added security and exceptional value to cardholders, including:

Text Alerts* — Cardholders may elect to have text messages with information about their card balance or transactions sent directly to their cell phone on-demand or event driven.

* standard text messaging rates may apply.

Cash Back Merchant Rewards — Cardholders can opt into a cash back merchant rewards program that pays them for normal purchasing behavior.

Interest Bearing Savings — Cardholders have access to an interest-bearing savings account or “purse” in their account.

Bill Payment — Cardholders can pay their bills over the phone or Web portal.

Portability — The rapid! PayCard is the employee’s private card account.

Cardholder Issued Check — Cardholders can write a check for payment or receive 100% of their pay off their card.

Allpoint® ATM Withdrawal — The rapid! PayCard is currently a member of the Allpoint ATM surcharge-free network with access to more than 37,000 locations.

Additional methods to access pay

- POS store purchase (including cash back, where available)
- Request a check
- US post office money order
- Electronic transfer to a bank account
