Features & Benefits

- **PrintArmor Pro Coat™** — our proprietary toner anchoring and static reducing top coating
- **Super durable material** — perfect for frequent handling, wet surroundings or extreme conditions
- **Perforated shapes for easy removal** — just pull the finished piece from the sheet
- **Eliminate hand-cutting** — frees up your time
- **No need to purchase a custom die** — saves you money and effort
- **Free design templates** — allows you to customize and create your own pieces
- **Brightest white & most opaque paper** — printed images will pop and text is crisp, no show-through
- **Deluxe coating** — for superior printability and static resistance
- **Long-lasting solution** — more affordable, faster and more durable than laminated materials
- **Washable** — run it under water, wipe it down with a wet cloth or use a mild cleanser
- **Recyclable** — classified as a #1 plastic
Can be recycled as a plastic, not as a paper. Check with your local recycling services for your options.
- **Laser printer compatible** — tested to run on all brand name laser printers
*Also compatible with offset and flexo printers. Inkjet and HP Indigo compatible
REVLAR is available upon request.*
