### TriDura®

Tolerant to Water, Tear-Resistant Paper

Looking for something that is more durable than standard paper but don't need all the advantages of a full synthetic durable paper product? TriDura is Relyco's durable paper alternative.

### REVLAR® "Virtually Indestructible" Paper

Waterproof, Durable, Tear-Proof Paper for Thousands of Applications

REVLAR waterproof paper is durable, tear-proof, heat tolerant and impervious to grease and chemicals. No need to laminate. Available in colors.

### REVLAR® Waterproof Durable Labels

Low Tack removable, clean-peel and repositionable Labels

Permanent tear-proof, high stability and waterproof labels for all your needs.

### ENDURA LABEL™

Standard, Custom, or Integrated Labels for Unique Application Requirements

Relyco has thousands of stock label templates available in many different materials, including waterproof substrates.

### DigiPOP® Packaging Solutions

Personalize - Customize - Print, Fold & Go!

With over 120 patented and ready-to-run package, folder, and mailer templates available, DigiPOP is ideal for direct mail, presentations, gifts – you name it.

### ULTRASEAL® Self Mailer Pressure Seal Forms

Improve Efficiency and Reduce Waste by Eliminating the Envelope

A one-piece, self-sealing mailer, ULTRASEAL forms offer a cost-effective, secure and efficient way to create, process and deliver mailed pieces without an envelope.

### Blank Laser Checks

High Security Check Stock

Relyco offers 7 different checks with up to 21 different security features to protect your business.

### REIMAGE® Carbonless Paper

Cost-Effective, Environmentally-Friendly Carbonless Paper

Create multi-part forms on demand and save up to 50 percent over preprinted forms with REIMAGE for all laser and inkjet printers and digital presses.

### Laser and Inkjet ID Cards

Easy-to-Use ID and Membership Products

Relyco's ID and membership cards are available in a range of materials – paper, poly, plastic, magnetic, and removable.

### DURASEAL® Envelopes

"The Best Performing Envelope Designed for Inkjet & Laser Printers!"

Relyco's DURASEAL Envelope is constructed of the highest quality substrate and specialty coating, providing a unique and proprietary color "POP".

**About Relyco:** For more than 25 years Relyco has been the premier supplier of unique and innovative paper products specifically designed for laser, digital and inkjet printers. Our products are great for thousands of applications and uses – enabling you to get the most value out of your printer investment. Understanding and meeting our clients' needs is always our first priority. Visit us at [www.relyco.com](http://www.relyco.com) or call (800) 777-7359.
