- Service tags
- Growler tags

Features & benefits

- **PrintArmor Pro Coat™** - our proprietary toner anchoring and static reducing top coating
- **Super durable material** - perfect for frequent handling, wet surroundings or extreme conditions
- **Food safe** - FDA compliant as a food contact substance (FCS)
- **Brightest white & most opaque paper** - printed images will pop and text is crisp, no show-through
- **Deluxe coating** - for superior printability and static resistance
- **Long-lasting solution** - more affordable, faster and more durable than laminated materials
- **Washable** - run it under water, wipe it down with a wet cloth or use a mild cleanser
- **Versatile material** - options to score, punch or die-cut
- **Laser printer compatible** - tested to run on all brand name laser printers
Also compatible with offset and flexo printers. (Inkjet and HP Indigo compatible REVLAR is available upon request.)
